Enclosure to Sl no. 1

Respected Sir,

Referring to your honor's endorsement of 29th April 19 my application for balance of house building advance in Halleswara Extension I beg to state that, as I was not present at the Deputy commissioner's inspection for estimating the value of the work done, work done to basement level was estimated at Rs 250/ and an inference was drawn that I had not spent the first advance in full. On account of family inconveniences I was obliged to prepare wood work in my house in the city. I enclose my receipts (for favor of perusal & return) of teak timber & bricks from persons that have been supplying me for my house. From them I beg to point out that upto date the outlay is nearly double the advance I first received. I therefore beg orders to my drawing the balance of advance (Rs 600).

For this help & favor I shall be ever grateful,

I beg to remain, Respected Sir,

Your most obedient servant

K Nanda Rao
